

Dear Employee,

Nobody has all of the answers for handling personal or work-related issues that surface in our daily lives. The Mayfield City School District has invested in your well-being by providing an Employee Assistance Program for those hurdles that you encounter.

The IMPACT Employee Assistance Program (EAP) offers confidential support for you and your household members, dependents living away from home, and parents & parents-in-law.

Professional phone support is available around-the-clock, on an unlimited basis, offering you and your family members' peace of mind that there is always someone to talk to, 24 hours a day, 365 days a year. Face-to-face counseling is also available, with up to 5 sessions included per problem occurrence.

Additional features include:

- » A web-based portal with articles, resources, and interactive features
- » Legal, financial, and identity theft assistance
- » Child and elder-care assistance
- » Referrals to community resources
- » And more...

Please detach and retain the wallet cards below in an accessible location as a reference for when you need to connect with the IMPACT EAP.

We look forward to hearing from you,

The IMPACT Solutions Team
